DETAILED ACTION

1. Applicant's arguments filed 02/28/05 have been fully considered but they are not persuasive. The Examiner is maintaining the rejection in the first Office action mailed 08/25/04.

Claim Rejections - 35 USC § 102

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

3. Claims 1-7 are rejected under 35 U.S.C. 102(e) as being anticipated by Boyd et al.

4. The Applicant is referred to the description of Boyd et al. in the first Office action.

5. According to Webster's Collegiate Dictionary the term "live" is defined as "at the actual time of occurrence" or "broadcast directly at the time of production". Boyd's electronic poker game comprises a lounge server. A lounge server functions to keep the players interacting online with each other during each card game of the tournament. Paragraphs [0118] – [0137] clearly describe how the lounge server keeps the players interacting instantaneously during a card game at the actual time of occurrence. Thus, the lounge server monitors play of a "live" card game.

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).
